

# Mr. Radio

## Chrisette Michele

Talk about a man's lips  
Talk about a man's hands  
Talk about a man's eyes  
Talk about a woman's lips  
Talk about a woman's breast  
Talk about a woman's thighs  
Those are things so beautiful  
But is there more than physical  
Isn't love much deeper?  
Write a song that's spiritual  
Write about a lover's soul  
Tough love's much sweeter?  
Thank you for your tone to make love true  
I heard it before  
(I heard it before)  
Thank you for your love song, Mr. Radio  
Thank you for your lullaby  
It makes love look so easy  
Thank you for your love song, Mr. Radio  
Talk about bad times  
Talk about a sweet kiss  
Talk about high nights  
Talk about making love  
Talk about naked love  
Talk about love lives  
What about the crazy fights?  
What about the sleepless nights?  
What about a brother's ego, ego?  
What about the sacred vows?  
How do lovers work it out?  
There's much more than the tangle  
Thank you for your tone to make love true  
I heard it before  
Thank you for your love song, Mr. Radio  
Thank you for your lullaby  
It makes love look so easy  
Thank you for your love song, Mr. Radio  
See, I know sometimes lovers go crazy  
(Lovers go crazy)

A smile and some lingerie can make it right  
And I know some fights Mr. Radio can't black away  
Thank you for the fantasy  
Thank you for your tone to make love true  
I heard it before  
Thank you for your love song, Mr. Radio  
Thank you for your lullaby  
It makes love look so easy  
Thank you for your love song, Mr. Radio  
Thank you for your tone to make love true  
I heard it before  
Thank you for your love song, Mr. Radio  
Thank you for your lullaby  
It makes love look so easy  
Thank you for your love song, Mr. Radio
