

# Self Vs Self (feat In Flames)

## Pendulum

If I struggle a lifetime,  
What would my body be?  
An empty shell,  
On what a demon fed Could be a heavy burden,  
To stay true to your words  
Speak up,  
I wanna silence everything If I got no plan,  
Doesn't mean that I get what I want for free  
If I got no meaning,  
Would you force me to a place where I make sense?  
'Cause nothing lasts forever How do I get home?  
Everything revolves around you  
If I can't find myself?  
As you're so completely fake How do I get home?  
Everything revolves around you  
If even you can't help?  
Dark nights from my soul I deny failure,  
I Ignite  
Woe is on my misery,  
She wins all their eyes Realise what they find's not fate,  
This is not me, this is me  
So if I struggle a lifetime,  
What good would that do? If I got a plan,  
Doesn't have to stop the feeling inside  
If I do make sense,  
Would you drag me down?  
'Cause nothing lasts forever How do I get home?  
Everything revolves around you!  
If I can't find myself?  
As you're so completely fake! How do I get home?  
Everything revolves around you!  
If even you can't help?  
Dark night from my soul
