

Ulysses (Beyond the Wizards Sleeve Remix)

Franz Ferdinand

Well I sit and hear sentimental footsteps
Then a voice say, "Hi, so?
So what you got, what you got this time?
Come on, let's get high" Come on, Lexo, what you got next-o?
Walk twenty-five miles-o
Well I'm bored, I'm bored
Come on, let's get high Come on, let's get high
Come on, let's get high, high Well I found a new way
I found a new way
Come on, don't amuse me
I don't need your sympathy La, la-la-la-la
Ulysses
I've found a new way
I've found a new way, baby Am I Ulysses? Am I Ulysses?
No, but you are now boy
So sinister, so sinister
But last night was wild What's the matter there? Feeling kinda anxious?
That hot blood grew cold
Yeah, everyone, everybody knows it
Yeah, everyone, everybody knows it
Everybody knows it La, la-la-la-la
Ulysses
I've found a new way
I've found a new way, baby La, la-la-la-la
Ulysses
I've found a new way
Well, I've found a new way, baby Oh, oh then suddenly you know
You're never going home
You're never, you're never, you're never
You're never, you're never, you're never
You're never going home You're not Ulysses
Baby, no, la-la-la-la, hoo hoo hoo
You're not Ulysses, hoo hoo hoo
La-la-la-la, hoo hoo hoo
