Closer to Free

Podunk

When I was born, I hit the ground running
Always feeling like I was needing something
But I was blind, I did not see you coming
Well it must be love ... it must beI want to be closer to free
I was looking for you ... when I found meYou roll like water, like good ole' mississippi
I was so thirsty when you finally hit me
But I was lost, I did not hear you coming
Well it must be love ... it must beI want to be closer to free
I was looking for you ... when i found me
