

# immature

ã,•ã,%oã•;ã•¹/₂ã•£ã•

How could I be so immature ?  
To think he could replace  
The missing elements in me  
How extremely lazy of me  
How could I be so immature ?

To think he could replace  
The missing elements in me  
How extremely lazy of me  
How could I be so immature ?  
How could I be so immature ?
