Chicago

[Sufjan Stevens](#)

I fell in love again
All things go, all things go
Drove to Chicago
All things know, all things knowWe sold our clothes to the state
I don't mind, I don't mind
I made a lot of mistakes
In my mind, in my mindYou came to take us
All things go, all things go
To recreate us
All things grow, all things growWe had our mindset
All things know, all things know
You had to find it
All things go, all things goI drove to New York
In a van with my friend
We slept in parking lots
I don't mind, I don't mindI was in love with the place
In my mind, in my mind
I made a lot of mistakes
In my mind, in my mindYou came to take us
All things go, all things go
To recreate us
All things grow, all things growWe had our mindset
All things know, all things know
You had to find it
All things go, all things goIf I was crying
In the van with my friend
It was for freedom
From myself and from the landI made a lot of mistakes
I made a lot of mistakes
I made a lot of mistakes
I made a lot of mistakesYou came to take us
All things go, all things go
To recreate us
All things grow, all things growWe had our mindset
All things know, all things know
You had to find it
All things go, all things goYou came to take us
All things go, all things go
To recreate us

All things grow, all things growWe had our mindset
(I made a lot of mistakes)
All things know, all things know
(I made a lot of mistakes)You had to find it
(I made a lot of mistakes)
All things go, all things go
(I made a lot of mistakes)
