Julie Ocean

The Undertones

So sad to see you've got silver
She's gonna break your dancing heart
Nothing good lasts forever
And sometimes nothing startsJulie Ocean, always on fire
Julie Ocean, crazy desireYou can't scratch her serious anger
Or touch her sensitive nerve
Watch her faking her power
Smiling sweetly as she wouldJulie Ocean, always on fire
Julie Ocean, crazy desireThat's typical girl
Now that's typical girl
That's typical girlJulie Ocean, always on fire
Julie Ocean, crazy desire
Julie Ocean, always on fire
Julie Ocean, crazy desire
