

# Boyfriend

Kaya Jones

What's goin' down?  
It turned all out  
I finally got the pices to fit  
I got it right, somebody on the side  
But I was not expecting this  
I tried to guess her name  
Tried to take the blame  
This time I can't win this game  
My boyfriend has a boyfriend now  
And his girlfriend  
Just figured it out  
Ohh In my defence, it's hard to tell  
Boys he sees just so well  
My boyfriend got a boyfriend now  
Ohh, yeah  
Ohh, ohh  
He never lied  
When he said that I'm still his number one girl  
And looking back  
I finally noticed that I'm not the princess  
In his fairytale world  
I tried to guess her name  
Tried to take the blame  
This time I can't win this game  
My boyfriend has a boyfriend now  
And his girlfriend  
Just figured it out  
Ohh In my defence, it's hard to tell  
Boys he sees just so well  
My boyfriend got a boyfriend now  
Ohh Oh, oh, yeah,  
Ohh My boyfriend has a boyfriend now  
And his girlfriend  
Just figured it out  
In my defence, it's hard to tell  
Boys he sees just so well  
My boyfriend got a boyfriend now  
Ohh, yeah  
Ohh, oh

Oh well...
