

# World so Cold

## Three Days Grace

I never thought I'd feel this  
Guilty and I'm broken down inside  
Livin' with myself nothing but lies I always thought I'd make it  
But never knew I'd let it get so bad  
Livin' with myself is all I have I feel numb  
I can't come to life  
I feel like I'm frozen in time Livin' in a world so cold, wasting away  
Livin' in a shell with no soul since you've gone away  
Livin' in a world so cold, counting the days  
Since you've gone away, you've gone away Do you ever feel me?  
Do you ever look deep down inside  
Starin' at yourself, paralyzed? I feel numb  
I can't come to life  
I feel like I'm frozen in time Livin' in a world so cold, wasting away  
Livin' in a shell with no soul since you've gone away  
Livin' in a world so cold, counting the days  
Since you've gone away, you've gone away from me I'm too young to lose my soul  
I'm too young to feel this old  
So long, I'm left behind  
I feel like I'm losing my mind Do you ever feel me?  
Do you ever look deep down inside  
Starin' at your life, paralyzed? Livin' in a world so cold, wasting away  
Livin' in a shell with no soul since you've gone away  
Livin' in a world so cold, counting the days  
Since you've gone away, you've gone away from me I'm too young  
I'm too young
