

Great for My Collection

Sullivan

Sit down
I've got a story to tell you
Dare you
To guess how it ends
Notice
The lack of my expressions
As blood and ether blend
Do you know how it feels to get cut down?
Do you know, do you know, do you know?
How far do you wanna go over?
How far do you wanna take all of this?
How far do you wanna go over?Lead me
Into this conversation
Tell us
What you've got to say
You'll be
Great for my collection
Sister, this all ends todayDo you know how it feels to get cut down?
Do you know, do you know, do you know?How far do you wanna go over?
How far do you wanna take all of this?
How far do you wanna go over?
And I'll lead you to the end
Where the branches meet the sky
And I'll tell you that I always loved you
Then I'll show you why
Don't take me onHow far do you wanna go over?
How far do you wanna take all of this?
How far do you wanna go over?
