

# The Devil's in the Temple

## Bon Jovi

This was a church  
A house full of prayer  
It ain't that now  
I could tear it down  
There's thieves at the altar  
A snake wears the crown  
Handing you coal  
Swearing it's gold Look what they've done to this house of love  
It's too late to turn river to blood  
The saviors come and gone, we're all out of time  
The devil's in the temple and he ain't no friend of mine I'd turn things around  
I would if I could  
Crash through the gates  
Break every chain  
Jail for the jealous  
Sing freedoms song  
Amazing grace  
Burn down this place Look what they've done to this house of love  
It's too late to turn river to blood  
The saviors come and gone, we're all out of time  
The devil's in the temple and he ain't no friend of mine Look what they've done to this house of love  
Look what they've done to this house of love  
The devil's in the temple and he's making a mess  
Got the Mona Lisa, got his hands up her dress  
The gun is in his hand but he ain't gonna confess  
He lies Look what they've done to this house of love  
It's too late to turn river to blood  
The saviors come and gone, we're all out of time  
The devil's in the temple and he ain't no friend of mine  
The devil's in the temple and he ain't no friend of mine  
The devil's in the temple and he ain't no friend of mine
