Strawberry Ice Cream

JP

I want
You want
I want you to see me
You want me to see you
But that won't work
But we won't workYou won't
I won't
You won't see me
And i won't see you anymore
But i want more
But you're too far
So we can't do this any longer
I wish i were stronger
You wish you were closer
And i wish you were mine
And you wish i were right there
By your sideBut you won't, so we won't
So we don't get to see each otherBut I like you like
Strawberry ice cream in the summerAnd i know you like
My old school songs
Our snowball fights
And you know I like
Your sleepy voice
Our endless nights
But you know
And I know
That it won't work
That we won't work
I won't, you won't
So we won't
We can't do this any longer
