

# Unfold

## Filaria

What I can remember is a lot like water  
Trickling down a page of the most beautiful colors  
I can't quite put my finger  
Down on the moment that I became like this  
You see I'm the bravest girl you'll ever come to meet  
Yet I shrink down to nothing  
At the thought of someone really seeing me  
I think my heart is wrapped around  
And tangled up in winding weeds  
But I don't wanna go on living  
Being so afraid of showing  
Someone else my imperfections  
Even though my feet are trembling  
And every word I say comes stumbling  
I will bare it all, watch me unfold, unfold, unfold  
These hands that I hold behind my back  
Are bound and broken by my own doing  
And I can't feel anything anymore  
I need a touch to remind me, I'm still real, oh no  
And I don't wanna go on living  
Being so afraid of showing  
Someone else my imperfections  
Even though my feet are trembling  
And every word I say comes stumbling  
I will bare it all, watch me unfold, unfold, unfold  
Unfold, unfold, unfold  
My soul, it's dying to be freed  
See I can't live the rest of my life so guarded  
It's dying to be freed, it's up to me to choose  
What kind of life I lead  
'Cause I don't wanna go on living  
Being so afraid of showing  
Someone else my imperfections  
And even though my feet are trembling  
And every word I say comes stumbling  
I will bare it all, watch me unfold, unfold, unfold  
Unfold, unfold, unfold  
I will allow someone to love me  
I will allow someone to love me

I will allow someone to love me  
I will allow someone to love me  
Love me, love me, love me
