

Broken Arrow

Pixie Lott

What do you do when you're stuck
Cause the one that you love
Has pushed you away...
And you can't deal with the pain
And now you're trying to fix me
And mend what he did...
And find te pieces
That i'm missing.....

But I still miss him
I miss him...
I'm missing him....
I'm missing him... (x2)

And your sitting in the front row
Wanna be first in lone
Waiting for my window
Giving me all your tme

You could be my hero
If only I could let go
But his love is still in me
Like a broken arrow....
Like a broken arrow.

He's the tor in my flesh
That I can't take out
He's stealing my breath
when your around
And now you're trying to convince me
He wasn't worth it
But you can't complete me
He's te part that's missing
That i'm missing

I miss him
I'm missing him

Oh I miss him (x2)

And you're sittng in the front row
Wana be first in line
Waiting for my window
Giving me all your time
You could be my hero
If only I could let go
But his love is still in me
Like a broken arrow
Like a broken arrow

What do you do
When your heart i in two places?
You fill burned
but you torn inside
You feel love
But ou just can't embrace it
When you've found the right one
At the wrong time

And you're sitting in the front row
Wanna be first in line
Waiting for my window
Giving me all your time
You could be my hero
If only I could let go
But his love is still in me
Like a broken arrow
Like a broken arrow
