

All I Wanna Do Is Make Love to You (Remastered)

Heart

It was a rainy night when he came into sight
Standing by the road, no umbrella, no coat
So I pulled up along side and I offered him a ride
He accepted with a smile so we drove for a while I didn't ask him his name, this lonely boy in the rain
Fate, tell me it's right, is this love at first sight?
Please don't make it wrong, just stay for the night All I want to do is make love to you
Say you will, you want me to
All I want to do is make love to you
And those loving arms to hold on to So we found this hotel
It was a place I knew well
We made magic that night
He did everything right He brought the woman out of me
Too many times, easily
And in the mornin' when we woke
All I'd left him was a note I told him "I am the flower, you are the seed
We walked in the garden, we planted a tree
Don't try to find me, please don't you dare
Just live in my memory, you'll always be there" All I want to do is make love to you
One night of love was all we knew
All I want to do is make love to you
I've got lovin' arms to hold on to, oh Yeah, we made love, love like strangers
I'll never know
We made love Then it happened one day
We came round the same way
You can imagine his surprise
When he saw his own eyes I said "Please, please understand
I'm in love with another man
And what he couldn't give me, oh, no
Was the one little thing that you can" All I want to do is make love to you
One night of love was all we knew
All I want to do is make love to you
C'mon, say you will, you'll hold me too All I want to do is make love to you
One night of love, was all we knew
All I want to do is make love to you
Say you will baby, you'll hold me too All night long
All night long
All night long All I wanna do is
All I wanna do
All I wanna do

All I wanna doAll I wanna do is make love to you
One night of love was all we knew
All I wanna do is make love to you
