

# Medusa

## Clan of Xymox

Finally, I have seen the lights in your eyes  
And now, I am glorying my tragic destiny  
Dreams can be wholesome for me  
Life is a tormented dream for me Mesmerize me, enchant me  
Mesmerize with your eyes, now Enchant me, hypnotize me  
Enchant me, mesmerize me  
Enchant me, hypnotize me I found the lies in your words  
And now, I am glorying my tragic destiny  
Dreams can be hard and mean  
I still wonder if you are aware of this Dreams can be hard and mean  
Life is a tormented time, now Medusa, Medusa, Medusa  
Enchant me, mesmerize me  
Enchant me, mesmerize me  
Enchant me, hypnotize me  
Enchant me, mesmerize me
