It Ain't No Use

Trombone Shorty

It ain't no use to cut you loose
I wouldn't last a day
There ain't no use to turn you loose
I guess I'm here to stayI could think of a thousand reasons
For me to leave you
If I walk out that door
I wouldn't know what to do, oohAin't no use, no use, no use
There ain't no use, no use, no useYou got me where you want me
I'm shackled to your love
You got me where you want me
I'm shackled to your loveUse, no use, no use
(Oh baby)
Use, no use, no useYou got me where you want me (want me)
I'm shackled to your love (to your love)
You got me where you want me (want me)
I'm shackled to your loveI wanna go, I wanna stay
I wanna go, I wanna stay
Don't know what to doBut I wanna go, I wanna stay
I wanna go, I wanna stay
Don't know what to doSet me free, set me free
Set me free, set me free
Set me free
