

Crush on You

Lil' Kim

Undeas

Lil' Ceasar

The bitch pleaser

Uhh uh, check itYo I be buyin' 'em V's, so all my girls be eyein' Cease

Comin' backstage, dyin' to get pleased

You got me, I rock thee, Versace and linen

While you stop your grinnin' wit bunch of foxy women

Why you speed ball with cards, that's invalid

I get clothes, custom made, from a stylist

Cruise in my Lexus Land with no mileage

While you walk the street until your feet get callousedTake you on a natural high, like a pilot

It be all good, toss your clothes like a salad

When it's all over put your vote in my ballot

It's my diner, I'm Mel, and you're Alice

Spend a night, in Lil' Cease palace

It be all good as long as you don't act childish

While you standin' there with the Christ in your cup

If worse come to worse keep this on the hush, uhhI know you seen me on the video

(True)

I know you heard me on the radio

(True)

But you still don't pay me no attention

Listenin' to what your girlfriends mentionHe's a slut, he's a hoe, he's a freak

Got a different girl every day of the week

It's cool, not tryin' to put a rush on you

I had to let you know that I got a crush on youWhile you tryin' to catch Sea Breeze, I'm in the PV's

All chrome D3's, decked out TV's

CD's with crazy bass, keep my lady laced

Don't be fooled by the baby face

I hope ya not, 'cause your thighs got me hot

Only one plan, that's to rise to the top

I told you before, when I first pursued

I want a interlude, in the nudeOr we tastin' like food when we get in the mood

Listen girlfriend, we don't mean to be rude

But anything I touch come straight to the rear

I take chicken heads like the Playmate Of The Year

'Cause when I first met her, she had the Lex and the 'tegra

Game real good, sex was even better

I got it for the cheddar once I hit it in the sack

'Cause I'm Cease A.K.A. Long Dick from the back I know you seen me on the video

(True)

I know you heard me on the radio

(True)

But you still don't pay me no attention

Listenin' to what your girlfriends mention He's a slut, he's a hoe, he's a freak

Got a different girl every day of the week

It's cool, not tryin' to put a rush on you

I had to let you know that I got a crush on you Yo shorty won't you go get a bag of the lethal

I'll be right here just chillin' witcha people

You know Junior M.A.F.I.A. was just a preview

I know I had you open, so why I'ma leave you

Especially when I know yo' man is fee-ble

It's Cease Degenaro, you know how we do

My game is tight, we do the same every night

I'm smooth as the words that come from Frank White You messin' with city kings with glassy rings

That's gonna show you good time pretty thing

'Cause you was spotted, in the club lookin' exotic

By somebody, short, dark and chocolate

You got it? Any plans to tape yo we stop it

Junior M.A.F.I.A., yeah we all about a profit

I'm the right dude to get you in the nice mood

Flossin' rocks the size of ice cubes I know you seen me on the video

(True)

I know you heard me on the radio

(True)

But you still don't pay me no attention

Listenin' to what your girlfriends mention He's a slut, he's a hoe, he's a freak

Got a different girl every day of the week

It's cool, not tryin' to put a rush on you

I had to let you know that I got a crush on you I know you seen me on the video

Listenin' to what your girlfriends mention He's a slut, he's a hoe, he's a freak
