

# Gold Watch and Chain

Emmylou Harris

Oh I'll pawn you my gold watch and chain love  
And I'll pawn you my gold wedding ring  
I will pawn you this heart in my bosom  
Only say that you'll love me again Darling, how could I stay here without you  
I have nothing to ease my poor heart  
This old world would seem sad, love, without you  
Tell me now that we never will part Oh I'll pawn you my gold watch and chain love  
And I'll pawn you my gold wedding ring  
I will pawn you this heart in my bosom  
Only say that you'll love me again Take back all the gifts you have given  
A diamond ring and a lock of your hair  
And a card with your picture upon it  
It's a face that is false but is fair Oh I'll pawn you my gold watch and chain love  
And I'll pawn you my gold wedding ring  
I will pawn you this heart in my bosom  
Only say that you'll love me again Oh, the white rose that blooms in the garden  
It grows with the love of my heart  
It broke through on the day that I met you  
It will die on the day that we part Oh I'll pawn you my gold watch and chain love  
And I'll pawn you my gold wedding ring  
I will pawn you this heart in my bosom  
Only say that you'll love me again  
Only say that you'll love me again
