

I Saw Red (Acoustic Version)

Warrant

Yeah

It must be magic how inside your eyes I feel my destiny

And every time we kiss, I feel you breathe your love so deep inside of me

If the moon and stars should fall, they'd be easy to replace

I would lift you up to heaven and you would take their place Then I saw red when I opened up the door

I saw red, my heart just spilled onto the floor

And I didn't need to see his face, I saw yours

I saw red and then I closed the door

I don't think I'm gonna love you anymore And every day I wake up I thank God that you are still a part of me

We've opened up the door to it, so many people never find the key

And if the sun should ever fail to send its light

We would burn a thousand candles and make everything alright I saw red when I opened up the door

I saw red, my heart just spilled onto the floor

And I didn't need to see his face, I saw yours

I saw red and then I closed the door

I don't think I'm gonna love you anymore I've been hurt, I've been blind

I'm not sure that I'll be fine

I never thought it would end this way, yeah That's alright, when I opened up the door

That's alright, my heart just spilled onto the floor

And I didn't need to see his face, oh, I saw yours

I saw red and then I closed the door

I don't think I'm gonna love you anymore

It must be magic
