

Hercules (Matthew Kyle Ain't No Good Dub)

[Aaron Neville](#)

All you fear, is fear its self
Check our your own back yard before you check out someone else Railroad track, in my neighborhood
Ain't no trains around that part just ain't no good Wanna know, what's going down,
When the pimp on the corner looks like the sharpest cat in town Jungle rule, can't be no fool
Might get caught by the hook of a crook no time for cool Look out jay, what you say, what you carrying brother
I hope you're clean cause the man is mean, don't come another further We all know the answer, will come out in
time
I might even carry some of your load, right along with mine Thank you ma'am, mister please
Cause I must be Hercules
I must be Hercules Like a bird, on the wing
I just wanna be free enough to do my thing I can feel the pressure, from every side
If you ain't gonna help, don't hurt, just pass me by Oh, no Hercules
I must be Hercules Jungle rule, can't be no fool
Devil is on the loose, no coo
Got your feet, in the sand
Got to be down with the cats that around and still got the face the man Talk about me if you please but I must be
Hercules
Hercules
I must be Hercules Duckin' rocks, catchin' stones
Movin' how can I survive what's going on
Big steely borrow
Somehow I've got to make it to tomorrow Can't depend, on no-one else
Comin' up the hard way I've got to save myself Must be Hercules
I must be Hercules
Talk about me if you please
I must be hercules
