

When a Child Is Born (feat. Ronan Keating)

Jai Waetford

A ray of hope flitters in the sky
A shiny star lights up way up high
All across the land dawns a brand new morn
This comes to pass when a child is born
A silent wish sails the seven seas
The winds have changed whisper in the trees
And the walls of doubt crumble tossed and torn
This comes to pass when a child is born
A rosy hue settles all around
You've got the feel you're on solid ground
For a spell or two no-one seems forlorn
This comes to pass when a child is born (Spoken)
And all of this happened
Because the world is waiting
Waiting for one child
Black, white, yellow, no one knows
But a child that would grow up and turn tears to
laughter
Hate to love, war to peace
And everyone to everyone's neighbour
Misery and suffering would be forgotten forever
It's all a dream and illusion now
It must come true, sometimes soon somehow
All across the land dawns a brand new morn
This comes to pass when a child is born
All across the land dawns a brand new morn
This comes to pass when a child is born
When a child is born
