Ocean Pearl

54-40

Play a little kiss and tell with poison pills
Bitten in the valley of thirst, the body killsI got an ocean pearl
I see an open world
Ocean pearlYou just have to whisper, promising the moon
And if she dares to dream, make it trueI got an ocean pearl
And I see an open world
Ocean pearlIt's what I wanted
'Cause I'm only gonna do this once
Gonna wash me in your water
Put the 'vive' back in 'la difference', yeahI got an ocean pearl
And I'd die without my
Ocean pearlAnd I got an ocean pearl
And I got an ocean pearl
I got an ocean pearlAnd I got an ocean pearl
I got an ocean pearl
