

Who Cares Wins

Anthrax

Close your eyes to the horror
Close your eyes to the pain
When you live in a box
No one knows your nameLiving in the street
Moms and kids with nothing to eat
Welfare hotels
Who says there's no place called HellI can't see you
I can't hear you
You don't see me
You couldn't be me
Who cares winsThere but for the grace of God
There but for the grace of God
Who cares, who cares, who cares, who cares
There but for the grace of God
There but for the grace of godGo you or I
Open your eyes
You don't see me
You couldn't be meInvisible could be my name
Your excuses are so lame
Real pleas fall on deaf ears
Look away when I'm nearFreezing cold in winters heat
Burning up can be a teat
Blisters breaking on my feet
At least I get a subway seatI cant' see you
I can't hear you
You don't see me
You couldn't be me
Who cares winsThere but for the grace of God
There but for the grace of God
Who cares, who cares, who cares, who cares
There but for the grace of God
There but for the grace of GodGo you or I
Open your eyes
You don't see me
You couldn't be me
Who cares winsSelf help and preservation
Not now I'm on vacation
Priority is you
And screw all those around youNow's the time for you to share

Indifference you have to care
Deep inside you know it's true
How do I get through to you Open your eyes to the horror
Open your eyes to the pain
When you live in a box
No one knows your name I can't see you
I can't hear you
You don't see me
You couldn't be me
Who cares wins There but for the grace of God
There but for the grace of God
Who cares, who cares, who cares, who cares
There but for the grace of God
There but for the grace of God Go you or I
Open your eyes
You don't see me
You couldn't be me
Who cares wins
