

# Times of Our Lives

## Cheap Trick

I can't decide where the story begins or it dies  
On the way back from your heart to mine  
Well, time passes by I can't stop if I tried  
Well, I can't quit and you know I can't hide  
Why should I change?  
Well, I don't know why, the truth is I lied Times of our lives  
Times of our lives How was it we could be so wrong?  
I thought our love was strong  
And these were the times of our lives Times of our lives How could you say you played it wrong?  
You pulled my heart strings  
It's so hard to play along, so now Tell me tonight  
Tell me that everything is alright  
Show me that our love will last all the times of our lives Times of our lives  
Times of our lives
