

# Silent House

## Dixie Chicks

These walls have eyes  
Rows of photographs and faces like mine  
Who do we become  
Without knowing where we started from?  
It's true I'm missing you  
As I stand alone in your room  
Everyday that will pass you by  
Every name that you won't recall  
Everything that you made by hand  
Everything that you know by heart  
And I will try to connect all the pieces you left  
I will carry it on and let you forget  
And I'll remember the years when your mind was clear  
How the laughter and life filled up this silent house  
One room, two single beds  
In the closet hangs your favorite dress  
The books that you read  
Are in scattered piles of paper shreds  
Everything that you made by hand  
Everything that you know by heart  
I will try to connect all the pieces you left  
I will carry it on and let you forget  
And I'll remember the years when your mind was clear  
How the laughter and life filled up this silent house  
Silent house  
In the garden off the living room  
A chill fills the air and the lilies bloom  
And I will try to connect all the pieces you left  
I will carry it on and let you forget  
And I'll remember the years when your mind was clear  
How the laughter and life filled up this  
And I will try to connect all the pieces you left  
I will carry it on and let you forget  
And I'll remember the years when your mind was clear  
How the laughter and life filled up this silent house  
Silent house
