

Niggas Ain't Shit

Trina

Niggas ain't shit but hoes and tricks
Lick tha pearl tongue, nigga keep your dick
Get tha fuck out after I cum
So I can hop in my coupe and make a quick run
Niggas ain't shit but hoes and tricks
Lick tha pearl tongue, nigga keep your dick
Get tha fuck out after I cum
So I can hop in my coupe and make a quick run
See, me and my boo's we got grands to use
With terrible attitudes nigga, who needs you?
Huh, you got your dirty ass feet on my couch
And smokin' motherfuckin' weed in my house
Is you sick yo? I want you to [Incomprehensible] him and your dogs
To stop grabbin' doorknobs and hustle and rob
Or get a job, get tha fuck out of dodge
(You heard that?) You eat me this evenin', you don't even deserve that
'Cause I'm a bank roll havin' bitch
Mercedes Benz, six double o havin' bitch, I'm fabulous
And immaculate with nice curves
I game hers for the furs and the Iceberg
You got nerves, old broke ass, not havin' no doe ass
Slow ass, sleeping' on my poor ass, yo yay your ass nigga
You fake bitch, you make women hate dick, 'cuz you ain't shit
Niggas ain't shit but hoes and tricks
Lick tha pearl tongue, nigga keep your dick
Get tha fuck out after I cum
So I can hop in my coupe and make a quick run
Niggas ain't shit but hoes and tricks
Lick tha pearl tongue, nigga keep your dick
Get tha fuck out after I cum
So I can hop in my coupe and make a quick run
You that same old nigga with tha same low figures
'Cept the lies gettin' bigga and the sex lacks the vigor
Got used to the quickies, now your ass is just wack
Tryin' to fuck my girl behind my back, imagine that
I told her go ahead and try it just for the laughter
Now we're both feelin' bad for all tha hoes you're goin' after
Looks can be deceivin' and you're perpin' much game
Crib in your mom's name, claims of fortune and fame
Dressed in Iceberg, senses still attached
Rockin' a gator, fake roly, hollow links to match
I sit back and watch as you dig yourself deeper
Digits all in your beeper, you want her, better keep her
Last night you was all up in the club, slingin' grips
Slippin' DJ Roslay, givin' dick tips away
Basically, you was holdin' like you just went pro
But little did they know, you was flossin' my doe
No, I gots to go, before you cause a bitch to flick
From waistline to the bottom, you know niggas ain't shit
Niggas ain't shit but hoes and tricks

Lick tha pearl tongue, nigga keep your dick
Get tha fuck out after I cum
So I can hop in my coupe and make a quick runNiggas ain't shit but hoes and tricks
Lick tha pearl tongue nigga keep your dick
Get tha fuck out after I cum
So I can hop in my coupe and make a quick runYou ain't shit to me yo
I'm spendin' grands down in Rio
Menage a trois, garage like it [Incomprehensible]
4-5-6, Range Rov, 4-5-6 we lay lowWhile ya'll hoes slob dick, you back in ballin' ass
Niggas ain't shit, taste the clit
And y'all pussy lickin' sayin' shit
Wanna go low on me like a basement?That's why I don't see none of y'all
You better recognize damn bitch, while I sit in front of y'all
I don't owe you shit, nigga you owe me
I'm 'bout to change the locks, nigga keep the gold keyYou better get your shit, take it to your mamy house
Let me show you what a bitch from Miami 'bout
You got me fucked up, nigga ain't no free nut
Unless you comin' VVS marquis cutNiggas ain't shit but hoes and tricks
Lick tha pearl tongue, nigga keep your dick
Get tha fuck out after I cum
So I can hop in my coupe and make a quick runNiggas ain't shit but hoes and tricks
Lick tha pearl tongue, nigga keep your dick
Get tha fuck out after I cum
So I can hop in my coupe and make a quick runNiggas ain't shit but hoes and tricks
Lick tha pearl tongue, nigga keep your dick
Get tha fuck out after I cum
So I can hop in my coupe and make a quick runNiggas ain't shit but hoes and tricks
Lick tha pearl tongue, nigga keep your dick
Get tha fuck out after I cum
So I can hop in my coupe and make a quick run
