Blessed

Martina Mcbride

I get kissed by the sun each morning
Put my feet on a hardwood floor
I get to hear my children laughing
Down the hall through the bedroom door
Sometimes I sit on my front porch swing
Just soaking up the day
I think to myself, I think to myself
This world is a beautiful place
I have been blessed
And I feel like I've found my way
I thank God for all I've been given
At the end of every day
I have been blessed
With so much more than I deserve
To be here with the ones that love me
To love them so much it hurts
I have been blessed
Across a crowded room
I know you
Know what I'm thinking
By the way I look at you
And when we're lying in the quiet and
No words have to be said
I think to myself, I think to myself
This love is a beautiful gift
I have been blessed
And I feel like I've found my way
I thank God for all I've been given
At the end of every day
I have been blessed
With so much more than I deserve
To be here with the ones that love me
To love them so much it hurts
I have been blessed
When I, when I'm singing for my kids to sleep
When I feel you holding me
I know, I've been blessed
And I feel like I've found my way
I thank God for all I've been given

At the end of every day
I have been blessed
With so much more than I deserve
To be here with the ones that love me
To love them so much it hurts
I have been blessed, oh yeah
I have been blessed, oh yeah, yeah
I have been blessed
I have been blessed
I have been blessed
