Roller Derby

Leon Russell

I'm up in Oakland on a Saturday night
Lord, I said I just didn't feel right
Goodnight, ladies all around
But the right one hadn't found me such a bad night
I didn't feel rightThen a friend came over 'fore it got too late
Asked me if I'd like you as a double date
My stars above, I fell in loveWith the queen of the roller derby
(Queen of the roller derby)
Yeah, the queen of the roller derby
(Queen of the roller derby)Now Queenie's a lady, she's quiet and shy,
Oh, she'll make you feel fine
Remember the time when a trucker from Dallas
Was callous to Queenie with his rude sideNow he can't deny, that he gotten much more than he bargained for
Queenie's right cross brought him to the floor
Now he knows better than to messWith the queen of the roller derby
(Queen of the roller derby)
The queen of the roller derby
(Queen of the roller derby)Oh, as fast as a bullet, she can jam all night
Makes a full grown Thunderbird die with fright
When we get home, alone in love
She murmurs like a sweet morning dove, oohOh, such a lady, she's quiet and shy
She'll make me feel good in this heart of mine
She's my love, she's a ladyShe's the queen of the roller derby
(Queen of the roller derby)
Ah, the queen of the roller derby
(Queen of the roller derby)I'm talkin' 'bout the queen of the roller derby
(Queen of the roller derby)
Yeah, she's the queen of the roller derby
(Queen of the roller derby)Oh, queen of the roller derby
(Queen of the roller derby)
She's the queen of the roller derby
(Queen of the roller derby)
Ooh
