

# Cadillac Dress

## Soul Decision

Take my clothes, my socks, my shoes away  
I wanna be naked everyday (oh)  
I'd wear nothing but my birthday suite  
Just a chance to be with you  
I'd make loving you a living  
I'd be a chair that you could sit in

Over and under and through you I go  
Use it, let's do this  
I want you to know

(CHORUS)

You run me over in a cadillac dress  
It's got me dancing SOS  
You tear me up  
You turn me in  
You take me under, yeah

Won't flash your hips and I'm going by  
I think somebody put sex in the wine  
Cause I'm going down  
I'm hangin' in  
I'm headed under, yeah

Take my car, my house, my time for good  
I wanna live all you like I should (yeah)  
Now girl I wanna be good at you  
Just show me all the things to do  
Use your body as my education  
Take my blackbook as my resignation  
All the things that I could do  
If I could just come talk to you

Over and under and through you I go  
Use it, let's do this  
I want you to know

[CHORUS ]

Baby, baby, baby  
Baby, baby, yeah, baby

[CHORUS x 3]
