

# Tall Cool One

## The Kingsmen

I'm like a strange cat running in the heat of the night  
I've got a fire in my eyes, got a date with delight  
Some kinda moanin' in the heart of the storm, ooh  
I'm gonna love you so hard, you'll want your loving done  
Lighten up baby, I'm in love with you  
Lighten up baby, I'm in love with you  
Now with my one hand loose, I aim to satisfy  
Ah, you like my loving machine, I like your bloodshot eyes  
Real gone girl jumping back with the beat  
Oh yeah I'm your your tall cool one with the crazy feet  
Lighten up baby, I'm in love with you  
Lighten up baby, I'm in love with you  
I'm so tall and you're so cute  
Let's play wild like wildcats do  
You're gonna rock your tall cool one  
I'm gonna say that, I'm gonna say that, I'm gonna say that  
You stroll, you jump, you're hot and you tease  
'Cause I'm your tall cool one and I'm built to please  
You stroll, you jump, you're hot and you tease  
'Cause I'm your tall cool one and I'm built to please  
Ooh yeah  
It's really now, oh  
Ooh, now, now, now  
Lighten up baby, I'm in love with you  
Lighten up baby, I'm in love with you  
Lighten up baby, I'm in love with you  
Lighten up baby, I'm in love with you  
Move over mister step on back in the crowd, oh yeah  
'Cause she's a whole lotta sister 'bout to drive me wild  
Lotta places I've been, lotta names, lotta words  
No one compares to my real gone girl  
Lighten up baby, I'm in love with you  
Lighten up baby, I'm in love with you  
Lighten up baby, I'm in love with you  
I'm so tall and you're so cute  
Let's play wild like wild cats do  
You're gonna rock your tall cool one  
I'm gonna say that, I'm gonna say that, I'm gonna say that, aah  
You stroll, you jump, you're hot and you tease  
'Cause I'm your tall cool one and I'm built to please  
You stroll, you jump, you're hot and you tease  
'Cause I'm your tall cool one and I'm built to please  
Oh yeah  
Now baby, oh yeah  
Oh yeah  
Lighten up baby, I'm in love with you  
Lighten up baby, I'm in love with you  
Hey, hey mama, goin' down, goin' down, goin', goin', goin'  
Lighten up baby, I'm in love with you  
Lighten up baby, I'm in love with you  
Hey, hey, mama, hey, I'll be your tall cool one  
Lighten up, lighten up,  
lighten up, lighten up  
Lighten up baby, I'm in love with you

Lighten up baby, I'm in love with youLighten up  
Hey, hey mama
