

Vice (feat. Camm Hunter & STS)

Kyle Lucas

Might As Well Live It Up,

Vice Got Me In The Vice Grip And I'm Stuck,

And I Just Won't Give It Up,

Might As Well Admit That I'm Fucked,

I'm Fucked Up,

It's Nothing New Babe,

It's Nothing New Babe,

It's Nothing New Babe,

Going Down Tough Luck,

Might As Well Live It Up,

Cuz Vice Got Me In The Vice Grip And I'm Fucked Up,

Woo!

This Song Is Not For Those Individuals,

Living Sober Minded,

Staying Mindful Of Them Chemicals,

Its 10 Shots Of Jameson,

Messing With Your Brain Again,

You Don't Know What State You In,
How Much Time Came And Went,
I'm Going Out Of My Mind In The Night Time,
It's Like I Come Alive Every Time The Light Dies,
But Fuck The Lime Light,
I'm High Lighting Lime,
Getting Busy Till I'm Dizzy,
Insisting The City's Mine,
This Vice Of Mine I Got Now,
I've Been High Since First Light,
You Just Name Your Price,
I'm Getting High As The Night That Might Die,
Rolling Like Some Dice,
I Only Told Her White Lies,
But She Just So Dame Feisty,
Trying To Fight Me Cuz Of Those White Lines,
Syrups Got Me Drowsy,
Feel Just Like I'm Drowning,
I Feel Just Like I Feel,
How I'd Feel,
Robert Downy Jr Did Up In The 90's,
Peeling Out Off In An Audi,
Shouting At The Cops I'm Outtie,

Stack The Stacks Up In An alley Piece,

Might As Well Live It Up,

Vice Got Me In The Vice Grip And I'm Stuck,

And I Just Won't Give It Up,

Might As Well Admit That I'm Fucked,

I'm Fucked Up,

It's Nothing New Babe,

It's Nothing New Babe,

It's Nothing New Babe,

Going Down Tough Luck,

Might As Well Live It Up,

Cuz Vice Got Me In The Vice Grip And I'm Fucked Up,

So When That Room Fills With Smoke,

We Get High,

We Feel Just Like The Moon Feels As Though,

She Just Wanna Get Low,

Maybe Do Pills And Coke,

(That's Right)

And I Would Never Look Down On What She Do To Cope,

No,

I've Been Under Soakin Till My Mind Is Comatose,

Cuz I'm Only Kind Of Chronic,

If You Thought You'd Overdose,

Ain't No Way To Try And Hide It,

Seeing My Optics So Demonic,

Red As Robins,

Hydroponics Makes It Easier to Spot It,

Yee,

When The Chemicals They Kick In,

She Just Wanna Kick It,

This Habit She Wont Kick It,

She Told Me I'm No Different,

After All The Adderall,

Is Clashing With The Vision,

In Addition With My ADD Subtracts From My Ambition,

Yall Can't Fuck With Me Like This Though,

Weed Is So Medicinal,

Yall got To Much Seeds Up In Your Trees The Shits abysmal,

Sour D's Outta Reach Referee Official,
Cuz We Just Use The Weed To Weed Out All You Bitch Hoes,

Might As Well Live It Up,
Vice Got Me In The Vice Grip And I'm Stuck,
And I Just Won't Give It Up,
Might As Well Admit That I'm Fucked,
I'm Fucked Up,

It's Nothing New Babe,
It's Nothing New Babe,
It's Nothing New Babe,

Going Down Tough Luck,
Might As Well Live It Up,
Cuz Vice Got Me In The Vice Grip And I'm Fucked Up,

As Night Slips Into The Vice Grip Of Vices,
Choices Wide As The Iris Can See,

I,
Live Life Live Life Loud,
Boom Bam Click Clack Pow,
Ask Questions Later,
Shots First For The Stars,

Toast To The Dealers And Healers,
The Oxi-Cotton Pickin Pharmaceutical System,
Rich Bitch Pill Poppers,
Perc Droppers,
Country Punk Rock Hip Hoppers,
Walmart Shoppers With A Doctors Note For Dope,
And If You Don't,
I Got A Guy What Kinda High You Lookin For?,

Might As Well Live It Up,
Vice Got Me In The Vice Grip And I'm Stuck,
And I Just Won't Give It Up,
Might As Well Admit That I'm Fucked,
I'm Fucked Up,

It's Nothing New Babe,
It's Nothing New Babe,
It's Nothing New Babe,

Going Down Tough Luck,
Might As Well Live It Up,
Cuz Vice Got Me In The Vice Grip And I'm Fucked Up,
