

# Such Great Heights

## Oxygenfad

I was thinking it's a sign that the freckles  
in our eyes are mirror images and when  
we kiss they're perfectly aligned  
and I have to speculate that God himself  
did make us into corresponding shapes like  
puzzle pieces from the clay  
and true, it may seem like a stretch, but  
its thoughts like this that catch my troubled  
head when you're away when I am missing  
you to death  
when you are out there on the road for  
several weeks of shows and when you scan  
the radio, I hope this song will guide you  
home

they will see us waving from such great  
heights, "come down now" they'll say  
but everything looks perfect from far away,  
"come down now" but we'll stay...

I tried my best to leave this all on your  
machine but the persistent beat it sounded  
thin upon listening  
and that frankly will not fly. You will hear  
the shrillest highs and lowest lows with  
the windows down when this is guiding  
you home

they will see us waving from such great  
heights, "come down now" they'll say  
but everything looks perfect from far away,  
"come down now" but we'll stay.
