

# Music for Boys

## The Suburbs

We ride  
Where boys run free  
We're goin for a ride  
With a skeleton family I'm alive  
Suck the blood from my bones  
Sunlight  
Plump flesh Listen up  
The lone bear's arrived  
The train's a commin'  
With the boys

Songwriters  
Bruce Allen, Chan Polling Published by
