

These Boys

Adam Lambert

Who you think you're calling stupid, stupid
Mmm, well, you think you're bigger, tryna prove it, prove it
Ohhh, heard you think you're really such a slick rick runner
Well, keep on talking you'll be goner, yeah These boys, these boys can't slow me down
These boys, these boys can't slow me down
These boys, these boys wanna have a go, who you calling clown
These boys, these boys can't slow me down
These boys, these boys can't slow me down
These boys, these boys, when I get in close, so close
Well, I listen to radio then I let it go
Listen to radio, then I let it go
Listen to radio, then I let it go
These boys, these boys can't slow me down
These boys, these boys can't slow me down So you think you're quite a fighter, a fighter
Mmm, but you looking more like a crier, crier
Ooh, I bet you think you really quite the stunner
But you're just like a rest, so go ahead and take a number, yeah These boys, these boys can't slow me down
These boys, these boys can't slow me down
These boys, these boys wanna have a go, who you calling clown
These boys, these boys can't slow me down
These boys, these boys can't slow me down
These boys, these boys, when I get in close, so close
Well, I listen to radio then I let it go
Listen to radio, then I let it go
Listen to radio, then I let it go
These boys, these boys can't slow me down
These boys, these boys can't slow me down
Slow me down, slow me down, oh-oh
Slow me down, slow me down oh-oh
Slow me down, slow me down oh-oh
Slow me down, slow me down
These boys can't slow me down Take deep breathes, try to take deep breathes
So I don't lose my composure
I see the edge, I can see the edge
When I feel I'm getting closer, closer These boys, these boys can't slow me down
These boys, these boys can't slow me down
These boys, these boys wanna have a go, who you calling clown
These boys, these boys can't slow me down
These boys, these boys can't slow me down

These boys, these boys gonna get in close, so close
Well, I listen to radio then I let it go
Listen to radio then I let it go
(Listen to the, listen to the)
Listen to radio then I let it go
These boys, these boys can't slow me down
These boys, these boys can't slow me down (Slow me down)
Slow me down, slow me down, oh-oh
Slow me down, slow me down oh-oh
Slow me down, slow me down oh-oh
Well I listen to the radio then I let it go
These boys can't slow me down
