

Santa Baby

Everclear

Santa baby, just slip a guitar under the tree for me
 Been an awful good boy
Santa baby, hurry down the chimney tonightSanta baby, a '54 convertible too, light blue
 Yeah, I'll wait up for you dear
Santa baby, so hurry down the chimney tonightThink of all the fun I've missed
 Think of all the girlies that I haven't kissed
 Next year I could be just as good
If you'd check off my christmas listSanta baby, I want a yacht and really that's not a lot
 I've been an angel all year
Santa baby, so hurry down the chimney tonightSanta cutie, one little thing that I need, the deed
 To a platinum mine
Santa baby, so hurry down the chimney tonightCome and trim my christmas tree
 With some decorations bought at tiffany's
 I really do believe in you
Let's see if you believe in me tooSanta baby, forgot to mention one little thing, a ring
 Yeah, I don't mean on the phone
Santa baby, so hurry down the chimney tonightSanta cutie, fill my stocking with a duplex, and checks
 Sign your x on the line
Santa baby, now hurry down the chimney tonightThink of all the fun I've missed
 Think of all the girlies that I could've kissed
 Next year I could be just as good
If you'd check off my christmas listSanta baby, forgot to mention just one little thing, a ring
 I don't mean on the phone
Santa baby, so hurry down the chimney tonight
