What If

Ana Johnsson

Couldn't move a mountain but what if?
Couldn't be an angel nor a goddess
There's so many stories we'd love to believe
But all I ever can be is meThere's a devil inside us all
But I believe in the beautifulWe can't change today, undo yesterday
Make it go away but what if?
When tomorrow comes we could be the ones
Who make miracles, what if?Saw you on the news today, crying
I just wanna turn you off, keep denying
Waiting for a wind of change to pull me right in
And while I'm waiting, you're under my skinWe can't change today, undo yesterday
Make it go away, but what if?
When tomorrow comes we could be the ones
Who make miracles, what if?There's a devil inside us all
I still believe in the beautiful
What if?We can't change today, undo yesterday
Make it go away but what if?
When tomorrow comes we could be the ones
Who make miracles, what if?Couldn't save the world today
But what if?
