

Every Time It Rains

Joe Cocker

(Randy Newman)

Every Time It Rains

I Sit At Home And Wonder Why

Ever Since You Said Goodbye

I Felt So All Alone

Every Time It Rains

And Summer Showers Soak The Ground

I Watch The Rain Come Pouring Down

And I Call Out Your Name

Every Time It Rains

I Hang My Head And Want To Die

And I Don't Seem To Care That

I'm Just Not Making It On My Own

Every Time It Rains Sometimes Late At Night

I Close My Eyes

And Pretend That You're Here With Me

But Every Time It Rains

I Realize Just How Lonely My Life Is Going To Be Every Time It Rains

Every Time I Hear The Raindrops Fall

I May Say That I Don't Mind It At All

But I Do

Every Time It Rains

Every Time I Try To Tell Myself

That In Time I'll Find Somebody Else

But It Won't Be You

Every Time It Rains

Every Time It Rains
