

Do What They Say

Korn

Walk away when you're angry
(Brace), brace yourself, there's nothing to gain
(Old), old enough to know the outcome
(Blood), more blood, it's always the same Aren't we cool and aren't we calm?
For facing death, we run it on
Aren't we cool and aren't we calm?
God we suffered for so long Aren't we cool and aren't we calm?
For facing death, we run it on
Do what they say or they take it away
I'd rather be dead than carry on (Wait), bite your lips don't be cursing
(We must), we mustn't take God's name in vain
(In vain), blunt your knife pull the curtain
Impulse, impulses, you must refrain Aren't we cool and aren't we calm?
For facing death, we run it on
Aren't we cool and aren't we calm?
God we suffered for so long Aren't we cool and aren't we calm?
For facing death, we run it on
Do what they say or they take it away
I'd rather be dead than carry on So I carry on with this burden
I can't remember anything
I can't be certain Aren't we cool and aren't we calm?
For facing death, we run it on
Do what they say or they take it away
I'd rather be dead than carry on
