## Rome

## **Phoenix**

Who's the boy you like the most? Is he teasing you with underage? Could he be waving from a tropical sunset? Static silhouette somehow Single in this bed someday Quiet till it fall, fall, falls!Rome, Rome, Rome, Rome Focus looking forward the Colosseum Oh no, what did I say? What can I say? Rome, Rome, many tears have fallen here I'll be driving, you look the other wayThat ain't easy to ignore When shutters open all the way When it's candlelight I see I go insane Distant silhouette somehow We shared a cigarette somewhere Addict till it fall, fall, falls!Rome, Rome, Rome, Rome Focus looking forward the Colosseum Oh no, what did I say? What can I say? Rome, Rome, many tears have fallen here I'll be driving, you look the other wayRome, Rome, Rome, Rome Rome, Rome, Rome, Rome Rome, Rome, Rome, Rome, Rome, Rome, Rome Rome, Rome, Rome, Rome Rome, Rome, RomeAlways and forevermore I call to say I'm on the way 2000 years remain in a trash can Let burn the cigarette somewhere Ashes till it fall, fall, falls! I stand outside under broken leaves I know I can't do without, the future's trying to wait I've never loved you and if I loved you I wouldn't say that I'm sorry, oh no I stand outside under broken leaves Always and forevermore We're together dead and lonely I thought I couldn't do this without you Single in this bed somewhere Ashes till it fall, fall, falls!Rome, Rome, Rome, Rome Rome, Rome, Rome, Rome Rome, Rome, Rome, Rome
