

Fools Parade

Burning Point

I don't wanna stay
On these frozen grounds
So baby, take me away
I'm higher bound This block has been overthrown
By dogs eating up our homes
Cold lights hit the better shacks
I'm leaving this town I don't wanna stay
On these frozen grounds
So baby, take me away
I'm higher bound Everyone needs a place to stay
Everyone has a price to pay
But it's turned into a fools parade
I'm out of the game I don't wanna stay
On these frozen grounds
So baby, take me away
I'm higher bound I don't wanna stay
On these frozen grounds
So baby, take me away
I'm higher bound I don't wanna stay
On these frozen grounds
So baby, take me away
I'm higher bound I don't wanna stay
On these frozen grounds
So baby, take me away
I'm higher bound Fools parade
