# 14 Hours

## Face to Face

14 hours to go
And the waiting's almost done
When I get back home
You're going to be the only oneStaring at the lights or staring at the sun
Everyday another fight or ill to overcome
Another day another place
Forgot the name but not the face
I've been away for too long to remember14 hours to go
And the waiting's almost done
When I get back home
You're going to be the only oneSuspended animation countdown has begun
Hurry up and wait for all of the things that must be done
It doesn't matter what state I'm in
They've all been waiting so let's begin
I know that when I'm back I'm going to miss it
