

# 14 Hours

## Face to Face

14 hours to go  
And the waiting's almost done  
When I get back home  
You're going to be the only one Staring at the lights or staring at the sun  
Everyday another fight or ill to overcome  
Another day another place  
Forgot the name but not the face  
I've been away for too long to remember 14 hours to go  
And the waiting's almost done  
When I get back home  
You're going to be the only one Suspended animation countdown has begun  
Hurry up and wait for all of the things that must be done  
It doesn't matter what state I'm in  
They've all been waiting so let's begin  
I know that when I'm back I'm going to miss it
