Where Would You Like Them Left?

Blaqk Audio

Sweetness, it's just a matter of taste
I wish we were not misplaced
You only quote these lines
But I'll be fine, I'll only recite mineUntil I'm gone with out a trace, oh
It's just a matter of timeStrip for me as I have stripped for you
We've got nothing to hide and we've got less to lose
Strip for me as I have stripped for you
I've got nothing to hide, I've got nothing to hide and less to loseSweetness, could they have just a taste
Of this, this beautiful disgrace?
They'd find you criminal, delectable
They'd find me intangible, invisibleGone without a trace, oh
It's just a matter of timeStrip for me as I have stripped for you
We've got nothing to hide and we've got less to lose
Strip for me as I have stripped for you
I've got nothing to hide, I've got nothing to hide and less to loseIt's a lot to take but they won't find us
It's a lot to take I know, I know
It's a lot to fake but pay no mind 'cause
This is how we're made you know and soStrip for me as I have stripped for you
We've got nothing to hide and we've got less to lose
Strip for me as I have stripped for you
We've got nothing, nothing, nothingStrip for me as I have stripped for you
We've got nothing to hide and we've got less to lose
Strip for me as I have stripped for you
I've got nothing to hide, I've got nothing to hide and less to
