In Wonder

Newsboys

So much wonder carved in Your coral seas
So much wonder shaded by ancient trees
I consider all Your hands have made
Every newborns eyes, every new sunriseNo power can tame Your presence
No light can match Your radianceLet all creation sing in wonder
Every sea, every creature, every star
You opened up my eyes to wonder
What a vision, what a wonder You areSuch a wonder, ordering time and tide
Such a wonder, bridging the great divide
I consider all that You had, all You gave
And all that You endured from this rebel worldWhat a wondrous cross You chose to bear
What a wonder You would even careLet all creation sing in wonder
Every sea, every creature, every star
You opened up my eyes to wonder
What a vision, what a wonder You areLet every rock cry out
Let every knee bow down
You opened up my heart to wonder
What a love, what a wonder You areNo power can tame Your presence
No light can match Your radiance
Such a wonder
Such a wonderLet all creation sing in wonder
Every sea, every creature, every star
You opened up my eyes to wonder
What a vision, what a wonder You areLet all creation sing in wonder
Every sea, every creature, every star
You opened up my eyes to wonder
What a vision, what a wonder You areLet every rock cry out
Oh, let every knee bow down
You opened up my heart to wonder
What a love, what a wonder You are
