

# Light Years

## Heather Nova

You found me drifting  
Big motion like a bird  
Strangest song I ever heard

Now, now that you're here  
Stay with me light years  
Light years, light years

No paper, no ring  
In the trees where frogs sing  
I brought lilies for you  
Thinking of all the things we're gonna do

Now, now that you're here  
Stay with me light years

I give you a thousand hours  
Making love in the tall sunflowers  
I give you a thousand feet  
Down where the water's deep

Sleepy storm, sleepy head  
Limb for limb on my bed

Now, now that you're here  
Stay with me light years  
Light years, light years  
Light years, light years

Stay with me  
Stay with me  
Stay with  
Stay with  
Stay, stay
