# Home For The Holidays

## Carpenters

It's here, the time of year we get to celebrate
All together once again and it doesnt matter
How far wherever we are we always find a way
To get back to all the family and friendsIm gonna be home for the holidays
To the place I know, it's my heart and soul
Im coming home and I can't wait
Yeah, Im gonna be home for the holidaysYeah, my hometown, my friends around
It's what I really missed, yeah
And all the good times that we shared
And even though I know Ive been gone for way too long
Coming back is the best
Im getting close Im almost thereIm gonna be home for the holidays
To the place I know, it's my heart and soul
Im coming home and I can't wait
Yeah, Im gonna be home for the holidaysTo the place that I remember always and forever in my heart
We can celebrate from November to December
Yes, Im gonna be home, Im gonna be
Im gonna be home for the year
Yeah, Im gonna be home, Im gonna be there soon asIm gonna be home for the holidays
To the place I know it's my heart and soul
Im coming home and I can't wait
Yeah, Im gonna be home for the holidays
For the holidaysJust where I belong and Ive been gone to long
Im coming home and I can't wait
Yeah, Im gonna be home, Im gonna be
Yes, I'm gonna be home for the holidays
