

# Hard Luck Lady

## Bullet

High heels, bad deals  
She keeps me up at night  
Fooling around, can't slow her down  
She got the evil eye

A dirty woman, a dirty love  
Dressed to kill, ready to thrill  
She gives me what I need

Hard luck lady  
She's a rock n roll machine  
Cold satisfaction  
Raw, dirty and mean  
Bad boys rising  
Yeah, that's what we do  
Cause the hard luck lady  
The hard luck lady is you

Long hair, long legs  
She's a beast in black  
Unleashed every night when she turns out the light  
She got the evil eye

A dirty woman, a dirty love

Dressed to kill, ready to thrill  
She gives me what I need

Hard luck lady  
She's a rock n roll machine  
Cold satisfaction  
Raw, dirty and mean  
Bad boys rising  
Yeah, that's what we do  
Cause the hard luck lady  
The hard luck lady is you

A dirty woman, a dirty love  
Dressed to kill

Hard luck lady  
She's a rock n roll machine  
Cold satisfaction  
Raw, dirty and mean  
Bad boys rising  
Yeah, that's what we do  
Cause the hard luck lady  
The hard luck lady is you
