

# She Suits Me to a T

Buddy Guy

I got a hip shakin' mama  
I swear she suit me to a T  
Oh, I got a hip shakin' mama  
I swear she suit me to a T  
Well, you know she can stay out all night  
But she, still is alright with me You know, she give me everything I want  
And a everything I need  
She's my woman, I tell ya  
Yes indeed I got a hip shakin' mama  
I swear she suits me to a T  
What I like about the girl  
I swear, she's alright with me You know, I never want for nothing  
She give me everything I need  
When I want that woman  
She just mine, yes indeed I say, I got a hip shakin' mama  
I swear she's alright with me  
Well, I'm crazy about the girl  
That I swear, she's alright with me Yeah, come [Incomprehensible]  
Here I go I wake up early in the morning  
Breakfast is right by my bed  
I wake up early in the morning  
You know my breakfast is right by my bed  
You know if I want for anything else  
My baby heard every word I said And you know she suit me baby  
You know you suit me baby  
I tell she suit me baby  
And she suit me baby, yeah  
Oh, the girl, she suit me on and on  
Suit me to a T
