"YOU GOT ME"

by Janjay Coquilla as performed by the Mango Kingz

Chord Progression: [G â€“ Em â€“ Am â€“ D ]

[Hook ]

Baby, you know you got, you got me trippinâ€™  
The love you bring got me feeninâ€™  
Donâ€™t worry now, you got me open  
Ooh, I like your style. You are so fine  
Baby, I love the way you do it to me  
You keep it real like it should be  
One of a kind, you are my lady  
And you got me

[Verse ]

You are the one I always dream about  
The one who makes me scream and shout  
Do anything for you, no doubt, yeah  
Maybe I can get close to you  
Just tell me if you want me to  
Let me pour the wine  
We can take our time  
We can do it nice and slow all night

[Hook ]

[Verse 2 ]

Lady, let me turn down the lights  
Thereâ€™s no need to fuss and fight  
I can make you feel alright, yeah  
We can get naughty in between the sheets  
Cuz, girl you knock me off my feet  
Just follow me and weâ€™ll sail away to ecstasy

(Yeah, come with me baby)

(All my love)

(I love the way you do me, baby)

[Hook ]

[Instrumental ]
